

The Unofficial Past Commodore's BBQ

About 100 Years ago there was a Commodore's Cocktail Party

Actually it was 6 years ago

The Commodore at the time suggested having a BBQ

That was Neil

The other Officers and Board said it was tradition to have a Cocktail Party and we can't make it a BBQ

That's how the Commodore's Unofficial BBQ was founded

After serving a 3-Year term as commodore Neil retired and sailed the world.

Actually stayed around Beachwood Doing Nothing

This event became known worldwide and people from all ends of the planet were talking about Neil's famous ribs

Actually just a few people really know about it and Bob Schollenberger is the one talking about Neil's Spectacular Ribs
